## What is Education Today?

Established in 1991, Education Today is a key news and product magazine devoted to the education sector, both state funded and private, covering Key Stages 1 to 5, as well as further and higher education. The magazine offers news, views and essential product information, designed to give teachers an engaging read and keep them up to date with the latest technology, products and services available for their schools.

## Who reads Education Today?

Education Today has a 100% subscribed circulation of over 45,000 key decision makers within the education sector built up over 25 years of publishing. Including head teachers, heads of department, business managers/bursars, network managers, facilities managers and specialised procurement managers in purchasing organizations and LEA's. Every issue is produced in both printed and digital format, with the digital issue offering readers immediate access to advertiser's products via interactive links to company website addresses, which are featured alongside all articles. In addition, each issue is uploaded to our website [www.education-today.co.uk](http://www.education-today.co.uk) providing further exposure for our advertising partners.

## What can Education Today do for your business?

Offering a mixed media platform of print, digital and online opportunities reaching a huge and targeted audience of key decision makers, you can be assured that your marketing message will be seen by the people that count. For over 25 years, we are the most established magazine in the sector, and our strong heritage makes us the go-to magazine for news and product information. Don't just take our word for it, see what our advertisers think on our website reviews page!

# Digital/online

– what can we offer?

## WEBSITE

Complementing the magazine is [www.education-today.co.uk](http://www.education-today.co.uk) which is updated regularly with news, product info, and archiving every single digital issue and webinar for quick and easy reference. Twitter also feeds through live making the website a very interactive platform, embracing digital as an essential part of the editorial mix.

## WEBINARS

Work with us on a sponsored webinar and we can guarantee you sales leads! Launched in 2014, Education Today now has an established webinar channel having now hosted 8 extremely successful webinars. Hosted by Education Today's Managing Editor Jonathan Swift, you talk personally to your target audience about an industry wide concern or debatable area, offering expert advice and knowledge. Create poll questions for your audience to ascertain their needs, answer their questions live and even continue the discussion on twitter afterwards. We will capture all of this information, along with the contact details of every viewer which we will pass on to you afterwards. We urge you to get in touch to find out more about this innovative opportunity!

## SOCIAL MEDIA

Linked to the website, Education Today has a targeted Twitter following of over 5000 and growing. We can offer social media opportunities as part of a campaign which could see your marketing message reach thousands, and potentially hundreds of thousands!

## E-NEWSLETTERS

Sent out every month, our newsletter has a reach of over 20,000. Featuring other key news and product information which is often exclusive for our newsletter, it is another avenue of reaching a large audience instantly.
